

IEP Amendments

- Necessary documentation and procedures are outlined in the State Special Education Procedures document:
<http://www.iowaidea.org/vnews/display.v/SEC/IEP%7CStatewide%20Special%20Education%20Procedures%3E%3EManual>
- Since the original and amendment IEP will be archived electronically as full documents on Web IEP, only changed pages of the amendment, along with a completed Prior Written Notice need to be submitted in paper to the AEA Regional Office Secretary.
- The Prior Written Notice should clearly articulate the changes to the IEP, and would guide the necessary data entry changes.
- It is critical that the parent receive a full copy of the finalized amendment IEP.
